Student Name	Project Title	Place	Project Category
Ankitha Garuadapuri	BPA and the Endocrine System: A Case Study with Drosophila Phase 1	1	Biochemistry
Brandon Castro	What terrain is best for a population of roly polys?	3	Animal Science
Filza Jamal	Which airfoil has the most effective camber in order to produce the most lift?	3	Engineering, Energy & Transport Engineering
Hania Rana	Which airfoil has the most effective camber in order to produce the most lift?	3	Engineering, Energy & Transport Engineering
Asha Zachariah	Which Material Best Absorbs Radio Waves & Which Shape Best Deflects Them Away From the Source?	1	Embedded Systems
Ava George	Can homemade water filtration systems be effective in the event of a severe water crisis?	1	Environmental Sciences & Mgmt
Annie Trinh	Remember That!	1	Behavioral & Social Sciences
Ethan Bhakta	Can Geothermal Energy Reduce Reliance on the Power Grid?	1	Engineering, Energy & Transport
Mason Hardick	Put some ice on it.	2	Chemistry
Sophia Díaz	Electrolyte Challenge	2	Biochemistry
Alyssa Carrillo	Can Screen & Text Color Affect Retention?	3	Behavioral & Social Sciences
Ashlyn Lum	How do lights with different wavelengths affect the movement of planaria?	1	Animal Science
Sara Carrillo	The Rise of the pH: Does the pH level of a fruit affect the baking process of baked goods?	3	Biochemistry
Isabella Gutierrez	How do parents' attitudes on underage drinking affect their children?	2	Behavioral & Social Sciences
Sandy Paxtor	How do parents' attitudes on underage drinking affect their children?	2	Behavioral & Social Sciences
Sebastian Baca	How do different filters affect the cleanliness of water?	1	Engineering, Materials & Bioengineering
Miabella Perez	Does the air pressure of a soccer ball affect how far it travels?	2	Physics & Astronomy
Christian Johnson	Gear Ratio Experment	1	Engineering, Electrical & Mechanical
Emily Fisher	Insolation	3	Engineering: Materials and Bioengineering
Ronnie Fakhoury	Heat Absorbtion for Colors	3	Physics & Astronomy
Akshaya Sayyaparaju	What's Blocking My Wi-Fi?	2	Systems Software
Yasiru Jayathilake	Cycling Blood Sugar	3	Health & Medical Sciences
